**U.S. Probation Officer Action:** On April 20, 2021, this officer contacted the offender regarding his positive opiate test results. The offender denied any drug use or having been prescribed any medication. Confirmation was subsequently requested. On April 22, 2021, the offender contacted this officer and apologized for not having been truthful during our last conversation. Weintraut admitted to having taken his mother's pain medication. He reported he was in pain following dental work and in a lapse of judgement took her Hydrocodone. The offender was remorseful and advised he has removed the medication from his home to avoid this from happening again. The offender requested an opportunity to address this incident in treatment, along with addressing grief he is experiencing from the passing of his mother.

To address the lapse, the offender's treatment and urine surveillance will be enhanced. This officer respectfully requests no action be taken.

Accordingly, the Court reserves the right to revisit this allegation in the future. In addition, should the offender incur any further violations, the Court will be immediately notified.

Respectfully submitted,

Patricia A. Whitson
